2 people have recommended Vlad

"Vlad is the perfect all around techie ... while most computer technicians have great technical and analytical comprehension, as does Vlad, he is also a **STRONG** creative. Having worked with Vlad over several years and diversified projects he stands out ... way above the average American technician, he's a genuine business GURU !! I strongly recommend Vlad and welcome personal inquiries to validate this recommendation."

— **John Webber**, *CEO - Managing Member, NHB Internet Services, LLC*, worked with Vlad at Alida Connection

"Vlad did a great job at the tasks he was expected to do, with very little supervision."

— **Steve Racicot**, *Technical Services, NHB Internet Services LLC*, worked directly with Vlad at NHBis
